CATECHISM OF THE CATHOLIC CHURCH

2258 "Human life is sacred because from its beginning it involves the creative action of God and it remains for ever in a special relationship with the Creator, who is its sole end. God alone is the Lord of life from its beginning until its end: no one can under any circumstance claim for himself the right directly to destroy an innocent human being."

Respect Life Month

The first Sunday in October is designated as Respect Life Sunday and the month of October is Respect Life Month. Please take time to promote a culture of life in your families and communities. **Every life is a miracle from God.** Whether it lasts for a brief moment or for a hundred years, each of our lives is a good and perfect gift. At every stage and in every circumstance, we are held in existence by God's love. Our relationships on earth are meant to help us and others grow in perfect love. We are meant to depend on one another, serve each other with humility, and walk together in times of suffering. Every life is worth living.

There's an envelope in this week's bulletin to support efforts to help vulnerable women and children and promote the sanctity of human life from conception to natural death.

We Need Your Help to Have a Great Year of Religious Education

Last year we were able to have a good year of religious education for most of our youth at St. Mary's, Bloomington and St. Charles, Cassville. We made some modification to the class times and locations for greater safety. We had wonderful volunteers teaching throughout the year. They are returning this fall so classes can resume soon.

However, in order to have classes for all of our young people, we need several additional people to step forward to teach. We need someone to teach at St. Charles from 3:15 to 4:30 p.m. on Wednesday afternoons for our 5th/6th grade class. We also need two teachers for 5th and 6th grades at St. Mary's from 5:45 to 7:00 p.m. on Wednesday evenings.

Please talk to me or contact Cheryl at the St. Charles Parish office at 725-5595 or Julie at the St. Mary's Parish office at 994-2526 for more information.

From my experience our students are very enjoyable to teach. Sometimes, I am their temporary teacher or I have a special class or prayer service with them. I am now regularly able to participate in both programs since they are at different times rather than both occurring right after school. Teaching our religion is such an important work. We need many people involved to create a good experience for our children and to teach them essential knowledge about the Catholic faith.

Grant County Right to Life Request

Grant County Right to Life requests your support to continue our rotating billboard for another year. Our prolife sign is displayed in one location for 4 weeks then moved to another location for 4 weeks. This is a great way to reach people throughout Grant County with our message of respect for life at every age. Please send a generous donation to our treasurer, Mary Fishnick, 225 North Adams St., Apt 106, Lancaster, WI 53813. Thank you for your support.

DMI Survey

Beginning October 14, all parishioners age 16 and older in all our parishes are asked to fill out a short survey online or on paper. The Disciple Maker Index (DMI) will help us understand our cluster's strengths and needs. It will help Bishop Hying match priests and parishes. No personal information will be collected. There will be more details in future bulletins.

Sharing Our Blessings

Thank you to everyone who supports our parishes with their time, talents and financial gifts! May God continue to bless you for your generosity and kindness.

Please pray for the financial health of our parishes and that all members will generously share the many blessings that God has given them with our parishes.

What we do in life echoes in eternity.

October Count

During the month of October, I would like to ask everyone to encourage attendance at our Masses. The annual count conducted by the diocese during October is a very important way to show that our parishes are vibrant faith communities. Now is a great time to invite family members and friends to join us for Mass.

Learn More about the Catholic Faith

Fall is a great time to start something new! If you are not Catholic or have not received some of the sacraments (Baptism, Communion, Confirmation) this would be an excellent time to enter into the process of looking more deeply into the Catholic faith.

We will have sessions beginning this fall, and we do not ask for a formal commitment. You may simply come and ask questions about the faith. Please call Marcia Hampton at (994-2149) or myself for more information. The sessions will be at a time that is convenient for everyone in the group.

ST. MARY'S SCHOOL NEWS

Faith, Family and Academic Excellence

Each year our students are divided into groups called "Faith Families". The 7th & 8th graders lead their 'family' in the Angelus prayer after the lunch recess. This year we started a new series called "Friendly".

On Fridays, the 'families' get together and work on cooperation and communication.

SCRIP: If you are new to the Scrip program, stop at the school and we can explain the program to you and give you a list of participating businesses. Some gift cards are available at school and also at Economy Feed Mill.

St. Mary's New Lift Is In!

We are truly happy that the new lift has been installed and passed inspection. We are working on signs to let people know how to use it. Our old lift was 23 years old and in need of major repairs. The new lift cost \$32,500.00 and was funded through a generous grant of \$15,000.00 from the Diocese of Madison Apostolate to Persons with Disabilities

and from very generous gifts that were given in memory of Sally Budworth, Milo Crubel, Mick Cull and Helene Reuter.

Help Needed With Snow Removal

Unfortunately, winter is just around the corner and with it snow. We are in need of someone(s) to keep St. Mary's Church steps and sidewalks clear of snow and ice this winter. Please contact Fr. John or the parish office at 994-2526 for more information about this paid position.

Thank You's

Thank you to Langmeier Lumber for the supplies to repair the sign for the Church Mass times outside of Ma's Bakery. Thank you to Cathy Martin for beautifully painting the sign.

SAINT FRANCIS OF ASSISI (1182-1226)

Son of a wealthy merchant, Francis' aimless adolescence ended when a failed military expedition led to his imprisonment and complete breakdown. Once home, Francis rediscovered God in the beauty of nature and the ugliness of human suffering, caring for lepers, praying in the little church of San Damiano, whose crucified Jesus he heard calling, "Repair my house, Francis, which is falling into ruins." Francis sold his possessions—and his father's—to fulfill this command. When his father objected, Francis disobeyed: "I return the clothes, your name, and all you gave me: God alone is my Father now." Later, the pope would dream of a ragged friar stretching forth a single hand to prop up the crumbling papal Cathedral of Saint John Lateran. Francis indeed helped rebuild the universal Church, founding the Friars Minor (Franciscans), dying at a young forty-four, bearing the stigmata of the Christ whose living icon he remains—in the Church and far beyond it.

St. Charles School News

St. Charles Students have begun a new program this year called Virtues in Practice. This year is focused on the theological virtue of faith. We often think of faith as an act of our own will. In actuality, we cannot gain access to God by our own choice. We can only know Him because He chooses to reveal Himself to us. In His goodness, He has willed not only to let us know *about* Him, but to let us know *Him*. Through the gift of faith, we participate in God's own life, and he dwells within us. This is not possible except as a miraculous gift from God.

Each month, students will focus on one virtue related to the theological virtue of faith, with activities at school and home that will reinforce what the students have learned in the classroom. The virtue focused on during the month of September is faith, described as believing in God and all He has revealed. This month, the older students learned about St. Augustine and the younger students about St. Jerome.

There is a Home and School meeting on October 4, at 3:30 p.m.

"To be clear: Catholics cannot provide, support or encourage abortion. Catholic political leaders have a serious obligation in this matter. Abortion is sinful; it is immoral. It destroys life and exploits women. Disciples of Christ do not support abortion. Period." *Bishop Thomas J. Tobin*

Celebrate Life

Bishops Praise Heartbeat Law

“Unanimously the Texas Catholic Bishops celebrated the passage of this life beating bill and state, “we celebrate every life saved by this legislation”. Opponents of the law argue the term “heartbeat” is misleading. Strangely they call it “embryonic cardiac activity” or worse. These attempts to dehumanize the unborn are disturbing. The bishops stress that abortion is a human life issue: the most fundamental human life is the right to life. Abortion is in no way healthcare. Abortion is not freedom. Abortion is not helping women as it is always a violent taking of innocent human life.” – Texas “Heartbeat Law” Will Keep the Hearts of Thousands of Tiny Unborn Beating with Life, Bishop Michael Pfeifer, O.M.I., Bishop Emeritus of the Diocese of San Angelo

FEAST OF FAITH -The Sign of Peace

“Greet one another with a holy kiss,” wrote Saint Paul to the Corinthians (1 Corinthians 16:20), and he said the same thing to other communities as well. The holy kiss, the sign of peace, has been a hallmark of Christians from the very beginning. In giving and receiving the sign of peace, we are not giving something of our own, but something that Christ has given to us. “Peace I leave with you, my peace I give to you,” Jesus told his disciples (John 14:27). Jesus comes to us when we gather together in community. We celebrate the Eucharist not just to receive spiritual nourishment to help us on our solitary way to salvation, but to be transformed into one body, the Body of Christ in the world. As we receive the Eucharist, we are not only united to Christ; we are united to each other. It is never easy to live in community, and we hurt each other on the way. So we need to turn to each other in a sign of reconciliation and forgiveness, to look into each other’s eyes, and give and receive the peace that is not ours, but Christ’s. —Corinna Laughlin, Copyright © J. S. Paluch Co.
