Easter Sunday

Alleluia! Our Lord has risen from the tomb. He has conquered death. He has redeemed us from our sins. Nearly two thousand years later, we celebrate it as if it is happening today. For it is happening today. Jesus Christ *is* RISEN, death *is* defeated, redemption *is* here. Let us give thanks to Jesus for his supreme sacrifice, let us praise God for the promise of eternal life, let us sing out in joy, for our Lord is risen today.

Christ is Risen, Truly Risen!

Like most of you, I have been patiently waiting for warm spring weather and the planting season. Unfortunately, sometimes we are fooled about the coming of spring, but not about Easter. We know Easter Sunday comes faithfully every year. However, I'm a bit skeptical that we truly believe in and trust that the Resurrection of Jesus

happened and that we share in that resurrected life of Christ.

It really takes faith and hope to believe that Christ is risen. Those are gifts from God. These gifts need to grow and they need be nurtured just like the seeds and plants we put in our fields and gardens. That is what the weeks of Easter, keeping Sunday the day for the Lord, the words of the Bible, and the Sacraments of Confession and Communion can do for us. They help our faith, hope, and love to grow.

On this glorious Easter Sunday, we know that Christ is risen, truly risen! So let us celebrate with joy this wonderful event that changed human history and has the power to transform our lives every day.

Have a happy and blessed Easter!

Reclaiming Sunday-by Bishop Hying-

Sunday is the Day of the Lord, for it was on Easter that Jesus Christ rose from the dead and changed human destiny forever. Saturday, as the seventh day of the week for the Jews, serves as the Sabbath or day of rest, when God rested from the work of creation in Genesis. Because of the resurrection, Christians moved the Sabbath to Sunday, either the first day of the week or the eighth day, eight being the Scriptural number symbolizing eternity.

Every Sunday is a mini-Easter, a day of rest, the Sabbath dedicated to honoring the victory of Christ over the powers of sin and death. Sunday Mass is the center of our Catholic faith and practice, as we gather to worship God, hear the Word, share in the death and rising of the Lord and receive the most Holy Eucharist. Additionally, Sundays should be days free of servile work, dedicated to worship, prayer, time spent with family and friends, rest, study and works of charity. In this way, we honor the meaning of Sabbath and the primacy of our relationship with God.

Given that Sunday has simply become part of the "weekend" in our culture, when work, chores and sports keeps it from being Sabbath for us, a significant goal of our Go Make Disciples initiative is to grow in both understanding and practice of Sunday in its Christian context and meaning among our people. A theologian succinctly put it this way: "If you want to drain Christianity of its power, drain Sunday of its meaning and practice." Conversely, we can say that the more believers understand and live Sunday as Sabbath in its profound meaning, the more Christian we will become.

We are very happy to welcome Msgr. Gerard Healy to our parishes. We are grateful that he could be here to celebrate the Easter Masses with us.

St. Mary's First Communion

St. Mary's First Communion will be on Sunday, April 24 at 9:00 a.m.

Rice Bowls

Small sacrifices really do add up. Operation Rice Bowl helps to fight global hunger and poverty, but also helps on the local level as well. In giving up something to be able to help others, people are joined in solidarity with others.

Please turn in your rice bowl donations in the box in the back of church, at school, or you can mail in a check. Please mark all envelopes "Rice Bowl." We will send the donations to the diocese to ensure that 25 percent of the donations will stay local and support St. John's Food Pantry.

Sharing Our Blessings

Thank you to everyone who supports our parishes with their time, talents and financial gifts! May God continue to bless you for your generosity and kindness. Please pray for the financial health of our parishes and that all members will generously share the many blessings that God has given them with our parishes.

Love God, serve God; everything is in that.

Thank you to the volunteers who helped to clean the churches before Holy Week.

The Risen Christ & the Risen Christian

It has been said that the most convincing sign of the Risen Christ is the Risen Christian. Today, in parishes around the world, new life is drawn from the waters of baptism, and new Christians are thrilled to see the crowds pour in to join in the feast. On Easter, we do not say the Creed, but rather renew our baptismal promises with hearty responses. We are taking the first joyful steps on a fifty-day-long celebration. In the southern hemisphere, the world is slipping into winter, but for us in North America, the earth itself seems to sing hymns to Christ's victory. Look this morning for the fresh paschal candle standing near the baptismal waters. It was consecrated in the hours of the night, will burn brightly for fifty days whenever we gather for prayer, and will glow again at every baptism and every funeral in the year ahead. Even though we may be gathered around the candle someday in sadness, today's joy at Christ's victory over death will shine through.— James Field, Copyright © J. S. Paluch Co.

An Easter Prayer

Almighty God, you have created us anew. Nailed to the cross for our sake, Jesus gave his life so that we might have a share in the new life of his resurrection. Now that we have been set free from the power of sin and death, we pray to be transformed by the Holy Spirit into the image of your love. In our Easter celebration, may we remember that we have not been saved for ourselves alone, but to become light for the salvation of the world and for your greater glory.

Paschal Candle

The Paschal candle represents **Jesus Christ, the Light of the World.**

Made of **pure beeswax**, it represents the **sinless Christ** who incarnated in the womb of His Mother.

The priest inscribes in the candle a **Cross**, the first and last letters of the Greek alphabet, **(1) Alpha** and **(2) Omega** 'the beginning and the end') and the current year.

Five grains of incense inserted into it in the form of a cross, recalling the **aromatic spices** used to anoint Our Lord's Body, and the **five wounds** in His hands, feet, and side.

Catholic Fortress

EVERYTHING IS CHANGED

Easter changes everything. Having been raised from the dead, Jesus shatters the frightful images that haunt humanity. Betrayal, torture, crucifixion, death, burial—these terrors pale in the brilliant glory of Jesus resurrected. Today's psalm guides our response to God's power: "it is wonderful in our eyes." Today is indeed a day for wonder, for gasping in astonishment at Jesus' resurrection. For all of human history, death had been final. In the Acts of the Apostles, though, Peter testifies that Jesus, who was publicly executed, was raised to life by God. John's Gospel admits that the disciples "did not yet understand the Scripture that he had to rise from the dead." Even Jesus' closest friends were not expecting this innovation: life after death. In response to the Easter miracle, Paul tells us to become "a fresh batch of dough." Everything, even our very selves, must become new. Easter changes everything.

Celebrate Life

"God, the Lord of life, has entrusted to men the noble mission of safeguarding life, and men must carry it out in a manner worthy of themselves.

Life must be protected with the utmost care from the moment of conception: abortion and infanticide are abominable crimes." - Second Vatican Council, Church in the Modern World, #51

Did you know? Life begins at conception!

At 18 days a baby's heart begins to beat and by the 43rd day after conception a baby's brain is coordinating movements. All of a baby's organs are functioning at 8 weeks and a baby can smile, suck his/her thumb and make a fist by 12 weeks.
