THIRD SUNDAY

OF
Easter

CATECHISM OF THE CATHOLIC CHURCH

1428 Christ's call to conversion continues to resound in the lives of Christians. This *second conversion* is an uninterrupted task for the whole Church who, "clasping sinners to her bosom, [is] at once holy and always in need of purification, [and] follows constantly the path of penance and renewal." This endeavor of conversion is not just a human work. It is the movement of a "contrite heart," drawn and moved by grace to respond to the merciful love of God who loved us first.

1429 St. Peter's conversion after he had denied his master three times bears witness to this. Jesus' look of infinite mercy drew tears of repentance from Peter and, after the Lord's resurrection, a three-fold affirmation of love for him. The second conversion also has a *communitarian* dimension, as is clear in the Lord's call to a whole Church: "Repent!"

St. Ambrose says of the two conversions that, in the Church, "there are water and tears: the water of Baptism and the tears of repentance."

How to Keep the Lord's Day Holy

from the Diocese of Madison *Go Make Disciples, Sept. 2020*

TIME IN GOD'S PLAN by John Joy

Time is holy because it belongs to the Lord. At the Easter Vigil, one of the prayers during the blessing of the Paschal Candle says: "Christ yesterday and today, the beginning and the end, the Alpha and the Omega. All time belongs to him and all the ages. To him be glory and power through every age and forever. Amen."

Time is a precious blessing. God gives us time in which to grow in knowledge and love of him. He gives us time to spend with our families and friends and time to enjoy the beauty of his creation. When we sin, he gives us time to repent. At every moment of every day, we have a choice to use the time given to us for God or for ourselves. By giving the time that God has given us back to him we sanctify time and by doing so we are also sanctified.

The first necessary step in sanctifying our time is by offering the first and best portion of it back to God. Just like the practice of tithing is a way of acknowledging that all our material goods come to us from God by offering the first ten percent of our income back to him in gratitude for all that he has given to us, so also the practice of keeping holy the Lord's day is a way of acknowledging that every moment is a gift from God by offering the first day of the week back to him in a special way...

In the Old Testament, God commanded his people to keep the seventh day (Saturday) holy in remembrance of his Sabbath rest after the six days of creation as well as their liberation from slavery in Egypt. But Jesus, who is Lord of the Sabbath, by rising from the dead on the first day of the week, sanctified Sunday above all other days. And so Christians have always kept Sunday as a day holy to the Lord in remembrance of the new creation accomplished by Christ and our liberation from Satan who held the human race in bondage because of sin. Thanks be to God that Christ has triumphed over sin and death, utterly vanquishing our ancient enemy. Sin has no power over us. Death has lost its sting. Sunday is the day of freedom and victory which the Lord has made for us. Let us rejoice and be glad in it.

WHAT TO DO: Attend Mass

The Mass is the sacrifice of Christ on the cross literally made present on our altars. It is the greatest of human acts. We should act like it by dressing well; by arriving on time or even a little early; by trying to enter deeply into the Mass through the offering our own hearts on the altar of sacrifice; and by receiving the Body of our Lord with great reverence and devotion.

May, a Month to Honor the Blessed Mother of God

The month of May is here. During this time we honor Mary as the Mother of God, and look to her as the model of Christian life. As stated in the Catechism of the Catholic Church,

971 "All generations will call me blessed": "The Church's devotion to the Blessed Virgin is intrinsic to Christian worship."⁵¹⁵ The Church rightly honors "the Blessed Virgin with special devotion. From the most ancient times the Blessed Virgin has been honored with the title of 'Mother of God,' to whose protection the faithful fly in all their dangers and needs. . . . This very special devotion . . . differs essentially from the adoration which is given to the incarnate Word and equally to the Father and the Holy Spirit, and greatly fosters this adoration."⁵¹⁶ The liturgical feasts dedicated to the Mother of God and Marian prayer, such as the Rosary, an "epitome of the whole Gospel," express this devotion to the Virgin Mary.

"O Mary, conceived without sin, pray for us who have recourse to thee." -St. Catherine Labouré

The Story of OUR LADY OF FATIMA

The story begins in the village of Fatima, Portugal, on May 13, 1917. On that fateful day near that tiny village, the Blessed Virgin Mary, Mother of God, appeared to three young peasant children: Francisco, Jacinta, and Lucia: ages 10, 9 and 7. As was the custom, these youngsters were tending their family's sheep when "a Lady all in white, more brilliant than the sun...indescribably beautiful," standing above a bush, appeared to the youngsters. From May through October 1917, the Lady appeared and spoke to the children on the 13th day of each month.

News of these apparitions began to spread throughout the region. The children recounted that the Virgin told them that God had sent her with a message for every man, woman, and child living in the century. She promised that God would grant peace to the entire world if Her requests for prayer, reparation and consecration were heard and obeyed. While many people believed the children had actually seen the Virgin, many others discounted the children's story, subjecting them to much derision and ridicule. When it became known the Lady would visit the children for the last time on October 13, 1917, and had promised a sign that would convince the world she had appeared, many pilgrims made plans to attend.

After what has become to be known as "The Miracle of the Sun," on October 13, the children were grilled many, many times, about what they had seen and been told. Their story never changed. The heart of Our Lady's message to the world contained an urgent plea from Our Lady for acts of prayer and sacrifice to save souls, with particular emphasis on praying the Rosary daily and devotion to the Immaculate Heart of Mary.

"Let Mary never be far from your lips and from your heart. Following her, you will never lose your way. Praying to her, you will never sink into despair. Contemplating her, you will never go wrong." - St. Bernadine of Siena

Reflection

"...Peter was distressed that Jesus had said to him a third time, 'Do you love me?' and he said to him, 'Lord, you know everything; you know that I love you.' Jesus said to him, 'Feed my sheep.'" (JOHN 21:17)

How often do you actually say the words "I love you" to Jesus, to family members, or to friends? We are made to be in relationship with God and each other. Sincerely telling someone that you love them is the best gift you can give them because it comes from your heart. You are giving them the gift of yourself. We all crave love. Tell someone you love them.

Saints Philip and James, Apostles-May 3

Call Philip the gospel's "Answer Man." "Can anything good come out of Nazareth?" Nathaniel asked Philip, who had proclaimed Jesus "the one about whom Moses wrote in the law, and also the prophets" (John 1:45). Jesus asked Philip, "Where can we buy enough food for them to eat?" (John 6:5). Greeks brought Philip their request: "We would like to see Jesus" (John 12:21). Philip's answer to each question: bring people to Jesus! At the Last Supper, finally, Philip had a request of his own: "Show us the Father!" (John 14:8). Jesus had three last questions for Philip: "You still don't know me? How can you ask that? Don't you believe?" And an answer: "I am in the Father and the Father is in me" (John 14:10). Today's James is not John's brother, Zebedee's son, but, tradition says, author of the New Testament Letter of James, who died praying for his murderers in Jesus' words: "Forgive them, for they know not what they do." Few historical details for either saint, but lessons aplenty: Bring every question we have and everybody we meet to Jesus; be, as James' letter challenges, "doers of the word and not hearers only" (James 1:22). —Peter Scagnelli, Copyright © J. Celebrate Life

“On receiving the Nobel Prize for Peace, Blessed Mother Teresa of Calcutta had the courage to say to the leaders of political communities: ‘If we let a mother kill the fruit of her womb, what is left to us? It is the principle of abortion that endangers peace in the world’. It is true! There can be no true peace without respect for life, especially if it is innocent and defenseless as is that of the unborn child. Elementary coherence requires those who seek peace to safeguard life. No pro-peace activity can be effective unless attacks on life at all its stages, from conception until natural death, are as energetically opposed.” (St. John Paul II To The Members Of The Italian Pro-Life Movement, 22 May 2003)

Did you know? Life begins at conception!

At 18 days a baby’s heart begins to beat and by the 43rd day after conception a baby’s brain is coordinating movements. All of a baby’s organs are functioning at 8 weeks and a baby can smile, suck his/her thumb and make a fist by 12 weeks.
