June 7-The Solemnity of The Most Sacred Heart of Jesus
June 8 - The Immaculate Heart of the Blessed Virgin

10TH SUNDAY IN ORDINARY TIME

He said to them in reply, "Who are my mother and my brothers?"
And looking around at those seated in the circle he said, "Here
are my mother and my brothers. For whoever does the will of
God is my brother and sister and mother." - Mk 3:33-35

Catechism of the Catholic Church

478 Jesus knew and loved us each and all during his life, his agony and his Passion, and gave himself up for each one of us: "The Son of God. . . loved me and gave himself for me." He has loved us all with a human heart. For this reason, the Sacred Heart of Jesus, pierced by our sins and for our salvation, "is quite rightly considered the chief sign and symbol of that. . . love with which the divine Redeemer continually loves the eternal Father and all human beings" without exception.

St. Joseph's Society of the Sacred Heart Mission Appeal at St. Clement Church

(This announcement has been updated from what was printed in the bulletin.)

Fr. Anthony Bozeman who will be presiding at the Masses at St. Clement Church, Lancaster on June 15 & 16.

St. Joseph's Society of the Sacred Heart, the Josephites, is a religious community of Catholic Priests and Brothers committed to serving the African American community through the proclamation of the Gospel and personal witness. Their commitment is expressed through sacramental, educational and pastoral ministry, service to those in need, and working for social justice. St. Joseph's Society of the Sacred Heart is an interracial, intercultural community of priests and brothers who work to advance the teachings of the Church in the African American community. The Society is the only community of men in the American Catholic Church that is engaged exclusively in this particular ministry.

Tenth Sunday of Ordinary Time

Today we gather as a family—a parish family as well as children of God—to celebrate the Eucharist. In the Gospel, Jesus assures us that whoever follows God's will is brother and sister to him. Let us listen to God's word and recognize that we are a members of His family.

A Review of the Mass Times

Dear Parishioners of St. Joseph the Worker Pastorate:

It is hard to believe but it has been about 1 year since Fr. Mark, Fr. Sudhakar, and I arrived on July 1, 2023. With the announcements of new priest assignments in the Catholic Herald already posted, we are glad to announce that we are able to stay for another year to continue to build on the good work already begun. Since it has been about a year, I decided to review the Mass times with the transition team in the month of April and to visit the different church councils in the month of May. The goal of our Mass schedule is to provide a variety of Mass times offered throughout the pastorate so that there are enough options for people to go to Mass and glorify God, as well as to follow the Into the Deep Guidelines.

In our transition team meeting, each member had the ability to share their opinion about what their local church liked and disliked. Please note that transition team members share their opinions about the church they represent not to promote their own personal preferences, but to express the preferences of their local church. This is really important to remember because transition team members help Fr. Mark, Fr. Sudhakar, and myself serve you better, since we don't have the full knowledge of what it is like to live in your communities as you have.

With that said, we discussed as a transition team the possibility of changing Mass times. We discussed the advantages and disadvantages of many different scenarios, all the while, trying to uphold the Into the Deep principle that we are not trying to have more Masses with less people, but less Masses with more people in order to instill a greater sense of community and faith. At the end of the day, there was a general consensus among transition team members that it would be best for our pastorate if our Mass times stayed the same. While it is not perfect, the consensus was that if we change Mass times, we might be doing more harm than good. Also, the consensus among the team members was that we are all making sacrifices for each, and there is no perfect Mass schedule that will please everyone.

With the advice of the transition team, I met with the church councils to confirm this decision. The only different advice that I received was that the St. Mary's Council believes that St. Mary's parishioners would like Mass to start at 9:30 a.m. instead of 10:00 a.m., and advised me that, if it were possible, St. Mary's parishioners would benefit from the earlier starting time.

With that said, I discussed the situation with Fr. Mark and Fr. Sudhakar, and we believe that keeping the Mass times the same, except for St. Mary's, Bloomington which will start at 9:30 a.m. as of July 1, 2024, will achieve our goal of offering a variety of Mass times for our parishioners and upholding the goals of the Into the Deep Initiative. Our ultimate goal is to become a single parish, that is, a united people of God that sincerely cares about each other and is working together towards planting and growing in Grant County a dynamic and active Catholic culture.

May God bless you,
 Fr. Steve Brunner

Reflection

"If a kingdom is divided against itself, that kingdom cannot stand." - Mark 3:24
 Within your parish community, do your ministries collaborate with each other or do they compete against each other? Do your parish members work for the greater glory of God or do they work for the glory of the people in them? The primary goal of parish ministry is not to increase Mass attendance, increase the number of volunteers or increase offertory. The primary goal is to be one Body of Christ that helps people take one step closer to Jesus. If it's not doing that, it's not worth doing.

Catholic Question & Answer

Question: How do I bring God into the work of my daily life?

Answer: Whatever your daily work, you have an opportunity to encounter God and to follow His commandments in love. In the New Testament, we see that most of the Apostles didn't have a previous religious position. They were fishermen, tax collectors, and political activists. St. Paul was a tentmaker. Among the saints, we have doctors, lawyers, farmers, and stay-at-home moms. No matter your daily tasks, God can be present there!

One way concerns behavior. Start with an examination of conscience. Look at areas where you tend to struggle to imitate Christ at work. Do you gossip? Does brimming frustration become impatience at home? Pick one sin you struggle with, then choose a virtue to strengthen that area. If you tend to speak poorly of your co-workers, resolve to stop and to say one kind thing a day instead.

Another way relates to perspective, particularly your perspective of others. Jesus' incarnation reminds us of the value of every human being. Jesus is God, and each of us is created in God's image. When you encounter another person, you have an opportunity to see God in a new place and a new way — in that person in front of you. Genuinely listen to them and be present to their concerns. Loving your neighbor is loving God! Our relationship with God and the love He inspires in our hearts shouldn't remain only at church on Sunday. We can - and should - let our faith animate our lives!

Celebrate Life

“An important and serious *responsibility belongs to those involved in the mass media*, who are called to ensure that the messages which they so effectively transmit will support the culture of life. They need to present noble models of life and make room for instances of people's positive and sometimes heroic love for others. With great respect they should also present the positive values of sexuality and human love, and not insist on what defiles and cheapens human dignity. In their interpretation of things, they should refrain from emphasizing anything that suggests or fosters feelings or attitudes of indifference, contempt or rejection in relation to life. With scrupulous concern for factual truth, they are called to combine freedom of information with respect for every person and a profound sense of humanity” (John Paul II, “The Gospel of Life,” n. 98).
